March 13, 2002 LB 488, 935, 1003, 1073

SENATOR DW. PEDERSEN: ...it again. I mean I...it's...it's...

SENATOR CHAMBERS: Well, let me...let me ask you this, which would be the easier thing, for you to pull your amendment or for us to just vote it down. Which would you rather see happen, if one or the other takes place?

SENATOR DW. PEDERSEN: Well, I'd like to get a vote on it.

SENATOR CHAMBERS: Okay. That's all I would have. Thank you, Senator Pederson, thank you, Mr. President.

SPEAKER KRISTENSEN: At this point in time, it's approximately three-thirty. We will move on our agenda to our General File 2002 committee priority bills, LB 1003. Prior to doing that, Mr. Clerk, items for the record.

CLERK: Thank you, Mr. President. Just amendments to be printed: Senator Bromm to LB 488, Senator Vrtiska to LB 935, and Senator Smith to LB 1073. (Legislative Journal pages 959-965.)

Mr. President, LB 1003 has been discussed. It was a bill originally introduced by Senator Schrock relating to Game and Parks. The bill was discussed on March 6, March 7 and again on March 12. There have been a series of amendments offered to the committee amendments. When the Legislature left the issue yesterday, Mr. President, there was pending a divided amendment. The original amendment was AM3107. The amendment was divided. The pending amendment, Mr. President, is FA904 to the committee amendments by Senator Beutler.

SPEAKER KRISTENSEN: Senator Beutler, for what point do you rise?

SENATOR BEUTLER: Senator Kristensen, Mr. Clerk, I would withdraw the...I would withdraw the current division that is before the body.

CLERK: I assume you are referring to all three pieces of the original amendment, is that right, Senator?
